

Application/Resume And Terms of Membership

Membership is granted to the individual, not the business/employer.

Meetings are held from 7:30 until 8:45 am each Thursday morning.

Attendance and participation at the meetings and group functions are critical to the success of our membership. Three (3) consecutive absences, five (5) in a quarter or a total of ten (10) absences during the year will result in membership termination.

Dues are \$55 per month to be paid no later than the second meeting of the month. Membership amount and due date is subject to change pursuant to a vote of by the club pursuant to the Constitution and Bylaws. Assessments for social functions are made by the Entertainment Committee.

Membership in BABR continues until the member resigns by submitting a letter of resignation to the President or membership is terminated by the Board of Directors for non-attendance or failure to pay dues as provided by the By-laws.

Until a member formally resigns or is terminated, monthly dues are owed and must be paid regardless of the member's attendance. A member may have a fellow worker or employee from the member's own business substitute in his/her place and still gain credit for attendance. Substitution is not meant to be permanent. No member may send a substitute for more than two (2) consecutive meetings. The total allowable number of substitutions for a calendar year shall be ten (10). Membership may be revoked or terminated by the Board for failure to comply with The Constitution and Bylaws of BABR.

Each new member is on probation for thirty (30) days. During that time, he/she must:

- 1) attend all meetings
- 2) have their photograph taken
